

Members of the P & D Committee

Support the “Substitute SB422” with such points as:

Protect CT’s Residents , not water bottlers;

Rescind the Clean Water Project Charge, the infrastructure works very thoroughly, no discounts for bottlers’ corporation;

Rescind water rate discounts for bottlers;

Re-establish a citizen MDC watchdog committee,

Impose a Moratorium on any large water capacity Agreements until the State Water Plan is completed and addresses this issue;

Action should only be voted on by CT’s Residents!
