I would like to express my opposition to this bill HB5408. I clear think it is unconstitutional and contradicts the very heart of our bill of rights. I think clearly think it's an intrusion on my freedom and privacy. It's no better than the police coming to your home and doing what they call a search and seizure without proof of a warrant for suspicion of a crime . It infringes on my rights & liberty and I absolutely oppose this bill . Thank you for consideration on this bill. Michael F. Navaroli
