**To the Public Safety and Security Committee,**

I hereby ask that you **OPPOSE** this bill H.B. 5408,

**Oppose: H.B. No. 5408 AN ACT CONCERNING THE PRESENTATION OF A CARRY PERMIT. To require the holder of a permit for the carrying of any pistol or revolver to present such permit upon request of a law enforcement officer.**

*This bill (if it becomes Law) would remove the requirement for a person to be under 'suspicion of a crime' and compel individuals produce a **permit to carry firearms upon request**. Currently, a sworn officer needs reasonable suspicion of a crime being committed in order to request a permit to be produced. This is similar to the need for reasonable suspicion to pull an automobile over.*

This is NOT NAZI GERMANY, we as AMERICANS do NOT go around and ask people to produce papers to whom their identity is, if you want to live like that, I will be glad to ship you to North Korea or Iran. Oh, P.S., ask those people how well that works for them, you don't answer to the government there, they take you out in a field and put a gun to your head and make an example out of you, is that how you want to live?, I don't want to live like that nor does anyone I spoke too. So before you want to pass this bill, please consider what your life would be like having to show any I.D. To the police any time they want to see them and if you don't, they can haul you in and charge you with a crime, be careful of what you ask for !!!!

Respectfully yours,
