Support testimony for H.B. 5409

My name is Chris Duffy. I am a resident of New Britain, and I support H.B. 5409

This Bill is not about magazine capacity, or firearms features, styles, caliber, etc. This Bill is about the administrative process that is being heavily amended and drawn out in municipalities across the state. Having the current state requirements be LAW, so that municipalities cannot alter this process, would cut down on the time people wait for their permit, greatly reduce the current TWO YEAR waiting period to appear before the BPFE, and would clear up a lot of the confusion people have when going through the process in obtaining their permit.
