

Testimony of the CT Association of Public School Superintendents

IN SUPPORT OF: SB 236 An Act Extending the School Security Infrastructure Competitive Grant Program

The CT Association of Public School Superintendents (CAPSS) SUPPORTS Senate Bill #236 for the following reasons:

- The program that awards money on a competitive basis to school systems to enhance security at our schools has resulted in safer schools and ensured that the children of Connecticut will be educated in a secure safe place.
- As we continue to learn how to make schools more secure the financial support for new things that we learn is essential to ensure that we continue to improve our school security.
- Therefore, CAPSS views the continuation of this program as essential and strongly encourages the committee to vote to favorably.
