

## Hobart, Jamie

---

**From:** Frank Hoagland <fhoagland@waterfordct.org>  
**Sent:** Tuesday, March 01, 2016 4:06 PM  
**To:** pstestimony  
**Subject:** Raised Bill No. 328

To Whom It May Concern:

If we are going to adopt a provision requiring residential sprinklers, it must be done through the building code not statute. Municipalities should not be allowed to adopt their own building codes.

I am diametrically opposed to Raised Bill No. 328 amending Statute 29-315.
