Be it enacted by the Senate and House of Representatives in General Assembly convened:

(c) The aggregate amount of all reimbursements provided by the corporation pursuant to this section shall not exceed five hundred thousand dollars in either of the fiscal years ending June 30, 2017, or June 30, 2018.

(d) On or before February 1, 2018, the corporation shall conduct a review of the cumulative effectiveness of the Entrepreneur Learner's Permit pilot program. Such review shall include, but not be limited to, the number and type of Connecticut businesses that were formed in connection with the pilot program, the current status of each business formed in connection with the pilot program, the number of employees employed by each such business, the economic impact to the state from the pilot program, the satisfaction of participants in the pilot program and a recommendation as to whether the program should be continued beyond June 30, 2018.
