

Making Great Communities Happen

Connecticut Chapter of the American Planning Association

Testimony regarding

HJ-1 RESOLUTION PROPOSING AN AMENDMENT TO THE CONSTITUTION OF THE STATE TO PROTECT TRANSPORTATION FUNDS

CCAPA supports HJ-1 as proposed. Ensuring the provision of a strong and stable transportation infrastructure is critical to the future success of Connecticut. Transportation improvements are long-term investments and require long-term planning and reliable funding. It is hoped that the proposed resolution will create a mechanism to ensure the dedication and commitment to this goal.

WHO WE ARE

The Connecticut Chapter of the American Planning Association (CCAPA) has over 420 members who are governmental and consulting planners, land use attorneys, citizen planners, and other professionals engaged in planning and managing land use, economic development, housing, transportation, and conservation for local, regional, and State governments, private businesses and other entities. CCAPA has long been committed to assisting the legislature and State agencies with developing and furthering responsible growth management principles. The American Planning Association is an independent, not-for-profit, national educational organization that provides leadership in the development of vital communities.
