### In Support of Raised H.B. No. 5415 An Act Concerning Transportation For Veterans

Veterans Affairs Committee  
March 3, 2016

Chairman Flexer, Chairman Hennessey, Senator Martin, Representative Yaccarino and distinguished members of the Veterans Affairs Committee:

I write to you in strong support of **Raised House Bill No. 5455 An Act Concerning Transportation For Veterans.**

Raised House Bill 5455 would give financially struggling Veterans the opportunity to apply for a transportation voucher. This voucher would give an individual the ability to secure transportation to and from their place of employment on any state-owned or operated bus.

The voucher would be valid for ninety days and would require a yearly renewal process. This is a great opportunity to support those who have helped fight for our freedom and our safety.

Thank you for your attention to this issue.

Sincerely,
