

Senate Bill No. 503

May Special Session, Public Act No. 16-4

AN ACT AUTHORIZING AND ADJUSTING BONDS OF THE STATE FOR CAPITAL IMPROVEMENTS, TRANSPORTATION AND OTHER PURPOSES AND AUTHORIZING STATE GRANT COMMITMENTS FOR SCHOOL BUILDING PROJECTS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (*Effective July 1, 2016*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 2 to 7, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$250,200,000.

Sec. 2. (*Effective July 1, 2016*) The proceeds of the sale of bonds described in sections 1 to 7, inclusive, of this act, to the extent hereinafter stated, shall be used for the purpose of acquiring, by purchase or condemnation, undertaking, constructing, reconstructing, improving or equipping, or purchasing land or buildings or improving sites for the projects hereinafter described, including payment of architectural, engineering, demolition or related costs in connection therewith, or of payment of the cost of long-range capital programming and space utilization studies as hereinafter stated:

(a) For the Office of Policy and Management:

Senate Bill No. 503

(1) For transit-oriented development and predevelopment activities, not exceeding \$8,000,000;

(2) For improvements to the Trout Brook Canal area in the town of West Hartford, not exceeding \$1,200,000.

(b) For the Department of Administrative Services: Alterations, renovations and improvements, including installation of air conditioning, development and demolition, to the State Office Building and associated parking facilities in Hartford, not exceeding \$181,000,000.

(c) For the Department of Correction: Design and construction for replacement of the central heating and cooling plant and underground distribution system at York Correctional Institution in Niantic, not exceeding \$60,000,000.

Sec. 3. (*Effective July 1, 2016*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 1 to 7, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 4. (*Effective July 1, 2016*) None of the bonds described in sections 1 to 7, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the

Senate Bill No. 503

Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 5. (*Effective July 1, 2016*) For the purposes of sections 1 to 7, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 1 to 7, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 4 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 4, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 1 to 7, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 1 to 7, inclusive, for the purpose of financing such costs, either

Senate Bill No. 503

by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 1 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 6. (*Effective July 1, 2016*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 2 of this act in excess of the cost of such project may be used to complete any other project described in said section 2, if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 2 shall be deposited to the credit of the General Fund.

Sec. 7. (*Effective July 1, 2016*) The bonds issued pursuant to sections 1 to 7, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the

Senate Bill No. 503

same become due.

Sec. 8. (*Effective July 1, 2016*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 9 to 15, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$47,500,000.

Sec. 9. (*Effective July 1, 2016*) The proceeds of the sale of the bonds described in sections 8 to 15, inclusive, of this act shall be used for the purpose of providing grants-in-aid and other financing for the projects, programs and purposes hereinafter stated:

(a) For the Office of Policy and Management:

(1) Grants-in-aid to the city of Waterbury for property acquisition, construction, reconstruction, renovation or improvements related to an urban development project in said city, not exceeding \$7,000,000;

(2) Grants-in-aid to the town of West Hartford for a wireless fidelity and broadband network initiative for West Hartford Center, not exceeding \$500,000.

(b) For the Department of Energy and Environmental Protection: Grants-in-aid to the town of Glastonbury for acquisition of open space for conservation or municipal purposes, not exceeding \$10,000,000.

(c) For the Department of Economic and Community Development: For a program to offer payments to holders of eligibility certificates issued pursuant to section 32-9t of the general statutes, to replace credits allowed to be claimed under such eligibility certificates, not exceeding \$10,000,000.

(d) For the Department of Housing: Grants-in-aid to private nonprofit organizations for supportive housing for persons with

Senate Bill No. 503

intellectual disability or autism spectrum disorder or both, not exceeding \$20,000,000.

Sec. 10. (*Effective July 1, 2016*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 8 to 15, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 8 to 15, inclusive, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 11. (*Effective July 1, 2016*) None of the bonds described in sections 8 to 15, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 12. (*Effective July 1, 2016*) For the purposes of sections 8 to 15, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 8 to 15, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 11 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 11, include the recommendation of the person signing such request as to the extent to which federal, private or other

Senate Bill No. 503

moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under sections 8 to 15, inclusive, of this act, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 8 to 15, inclusive, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 8 to 15, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 8 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the

Senate Bill No. 503

debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 13. (*Effective July 1, 2016*) The bonds issued pursuant to sections 8 to 15, inclusive, of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 14. (*Effective July 1, 2016*) In accordance with section 9 of this act, the state, through the Department of Economic and Community Development and the Department of Housing may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 9. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 15. (*Effective July 1, 2016*) In the case of any grant-in-aid made pursuant to section 9 of this act that is made to any entity which is not a political subdivision of the state, the contract entered into pursuant to section 14 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount shall be repaid in the event of such change in use, provided if the premises for which such

Senate Bill No. 503

grant-in-aid was made are owned by the state, a municipality or a housing authority, no lien need be placed.

Sec. 16. (*Effective July 1, 2016*) (a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate five million dollars.

(b) The proceeds of the sale of such bonds shall be used by the Department of Public Health for the purposes of the Biomedical Research Trust Fund established pursuant to section 19a-32c of the general statutes, as amended by this act.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, that are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section. Temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with section 3-20 of the general statutes and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of such bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization that is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Such bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of

Senate Bill No. 503

such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 17. (*Effective July 1, 2016*) (a) The State Bond Commission shall have power, in accordance with the provisions of this section, from time to time to authorize the issuance of special tax obligation bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$375,000.

(b) The proceeds of the sale of such bonds to the extent hereinafter stated, shall be used for the purpose of payment of the transportation costs, as defined in subdivision (6) of section 13b-75 of the general statutes, with respect to the projects and uses described in this section, which projects and uses are hereby found and determined to be in furtherance of one or more of the authorized purposes for the issuance of special tax obligation bonds set forth in section 13b-74 of the general statutes. Any proceeds from the sale of such bonds shall be used by the Department of Transportation for the design of roadway improvements for Lakeside Boulevard in Waterbury.

(c) None of such bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it (1) a request for such authorization, that is signed by the Secretary of the Office of Policy and Management or by or on behalf of said state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require, and (2) any capital development impact statement and any human services facility colocation statement required to be filed with the Secretary of the Office of Policy and Management pursuant to section 4b-23 of the general statutes, any advisory report regarding the state conservation and development policies plan required pursuant to section 16a-31 of the general statutes, and any statement regarding farm land required

Senate Bill No. 503

pursuant to subsection (g) of section 3-20 of the general statutes and section 22-6 of the general statutes, provided the State Bond Commission may authorize such bonds without a finding that the reports and statements required by this subdivision have been filed with it if said commission authorizes the secretary of said commission to accept such reports and statements on its behalf. No funds derived from the sale of bonds authorized by said commission without a finding that the reports and statements required by this subdivision have been filed with it shall be allotted by the Governor for any project until the reports and statements required by this subdivision, with respect to such project, have been filed with the secretary of said commission.

(d) For the purposes of this section, each request filed as provided in this section for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to this section, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available from the proceeds of bonds and temporary notes issued in anticipation of the receipt of the proceeds of bonds. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall be added to such state moneys.

(e) Any balance of proceeds of the sale of such bonds authorized for the projects or purposes of this section, in excess of the aggregate costs

Senate Bill No. 503

of all the projects so authorized, shall be used in the manner set forth in sections 13b-74 to 13b-77, inclusive, of the general statutes, and in the proceedings of the State Bond Commission respecting the issuance and sale of such bonds.

(f) Such bonds issued pursuant to this section shall be special obligations of the state and shall not be payable from or charged upon any funds other than revenues of the state pledged therefor in subsection (b) of section 13b-61 of the general statutes and section 13b-69 of the general statutes, or such other receipts, funds or moneys as may be pledged therefor. Such bonds shall not be payable from or charged upon any funds other than such pledged revenues or such other receipts, funds or moneys as may be pledged therefor, nor shall the state or any political subdivision thereof be subject to any liability thereon, except to the extent of such pledged revenues or such other receipts, funds or moneys as may be pledged therefor. Such bonds shall be issued under and in accordance with the provisions of sections 13b-74 to 13b-77, inclusive, of the general statutes.

development and solid waste disposal projects, not exceeding one million nine hundred ninety-five thousand nine hundred two dollars; (D) for the Department of Social Services: Child day care projects, elderly centers, shelter facilities for victims of domestic violence, emergency shelters and related facilities for the homeless, multipurpose human resource centers and food distribution facilities, not exceeding thirty-nine million one hundred thousand dollars, provided four million dollars of said authorization shall be effective July 1, 1994; (E) for the Department of Economic and Community Development: Housing projects, not exceeding three million dollars; (F) for the Office of Policy and Management: (i) Grants-in-aid to municipalities for a pilot demonstration program to leverage private contributions for redevelopment of designated historic preservation areas, not exceeding one million dollars; (ii) grants-in-aid for urban development projects including economic and community development, transportation, environmental protection, public safety, children and families and social services projects and programs, including, in the case of economic and community development projects administered on behalf of the Office of Policy and Management by the Department of Economic and Community Development, administrative costs incurred by the Department of Economic and Community Development, not exceeding [one billion four hundred forty-four million eight hundred thousand] one billion four hundred sixty-nine million eight hundred thousand dollars, provided [fifty] seventy-five million dollars of said authorization shall be effective July 1, 2016.

(2) (A) Five million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection may be made available to private nonprofit organizations for the purposes described in said subparagraph (F)(ii). (B) Twelve million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection may be made available for necessary renovations and

Senate Bill No. 503

improvements of libraries. (C) Five million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for small business gap financing. (D) Ten million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection may be made available for regional economic development revolving loan funds. (E) One million four hundred thousand dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for rehabilitation and renovation of the Black Rock Library in Bridgeport. (F) Two million five hundred thousand dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for site acquisition, renovation and rehabilitation for the Institute for the Hispanic Family in Hartford. (G) Three million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for the acquisition of land and the development of commercial or retail property in New Haven. (H) Seven hundred fifty thousand dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for repairs and replacement of the fishing pier at Cummings Park in Stamford. (I) Ten million dollars of the grants-in-aid authorized in subparagraph (F)(ii) of subdivision (1) of this subsection shall be made available for development of an intermodal transportation facility in northeastern Connecticut.

Sec. 239. Subsection (a) of section 4-66g of the 2016 supplement to the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power, from time to time [] to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [three hundred]

sections 16a-40 to 16a-40b, inclusive, and this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to said sections 16a-40 to 16a-40b, inclusive, and this section, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Said bonds issued pursuant to said sections 16a-40 to 16a-40b, inclusive, and this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the Treasurer shall pay such principal and interest as the same become due.

Sec. 250. Section 19a-32c of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

There is created a Biomedical Research Trust Fund which shall be a separate nonlapsing fund. The trust fund may contain any moneys required or permitted by law to be deposited in the fund, may accept transfers from the Tobacco Settlement Fund and may apply for and accept gifts, grants or donations from public or private sources to enable the account to carry out its objectives. The Commissioner of Public Health may make grants-in-aid from the trust fund to eligible institutions for the purpose of funding biomedical research in the fields of heart disease, cancer and other tobacco-related diseases, Alzheimer's disease, stroke and diabetes. Each fiscal year, the total amount of moneys deposited in the account shall be used by the

Senate Bill No. 503

Commissioner of Public Health for such grants-in-aid, provided such grants-in-aid shall not exceed fifty per cent of the total amount held in the trust fund as of the date such grants-in-aid are approved. Not more than two per cent of the total available amount held in the trust fund shall be made available to the Department of Public Health for administration expenses relating to the trust fund and making the grants-in-aid. The Commissioner of Public Health shall develop an application for grants-in-aid under this section and may receive applications from eligible institutions for such grants-in-aid. For purposes of this section, "eligible institution" means an entity that has its principal place of business located in the state and is (1) a nonprofit, tax-exempt academic institution of higher education, or (2) a hospital that conducts biomedical research.

Sec. 251. Section 22-26hh of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

The State Bond Commission shall have power, from time to time [,] to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [one hundred seventy] one hundred sixty-five million two hundred fifty thousand dollars, the proceeds of which shall be used for the purposes of section 22-26cc, provided not more than ten million dollars of said authorization shall be effective July 1, 2014, and further provided not more than two million dollars shall be used for the purposes of section 22-26jj. All provisions of section 3-20, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section, and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their

Senate Bill No. 503

respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Said bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the Treasurer shall pay such principal and interest as the same become due.

Sec. 252. Subsection (a) of section 22a-483 of the 2016 supplement to the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(a) For the purposes of sections 22a-475 to 22a-483, inclusive, the State Bond Commission shall have the power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts, not exceeding in the aggregate [one billion six hundred fifty-two million six hundred twenty-five thousand nine hundred seventy-six] one billion six hundred thirty million one hundred twenty-five thousand nine hundred seventy-six dollars, provided ninety-two million five hundred thousand dollars of said authorization shall be effective July 1, 2016.

Sec. 258. Subsection (a) of section 32-235 of the 2016 supplement to the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power, from time to time [] to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [one billion four hundred fifteen million three hundred thousand] one billion four hundred five million three hundred thousand dollars, provided (1) one hundred forty million dollars of said authorization shall be effective July 1, 2011, and twenty million dollars of said authorization shall be made available for small business development; (2) two hundred eighty million dollars of said authorization shall be effective July 1, 2012, and forty million dollars of said authorization shall be made available for the Small Business Express program established pursuant to section 32-7g and not more than twenty million dollars of said authorization may be made available for businesses that commit to relocating one hundred or more jobs that are outside of the United States to the state; and (3) [one hundred] ninety million dollars of said authorization shall be effective July 1, 2016. Any amount of said authorizations that are made available for small business development or businesses that commit to relocating one hundred or more jobs that are outside of the United States to the state, but are not exhausted for such purpose by the first day of the fiscal year subsequent to the fiscal year in which such amount was made available, shall be used for the

Senate Bill No. 503

purposes described in subsection (b) of this section. For purposes of this subsection, a "small business" is one employing not more than one hundred employees.

Sec. 259. Section 14 of public act 12-189 is amended to read as follows (*Effective July 1, 2016*):

In accordance with section 9 of [this act] public act 12-189, the state, through the Office of Policy and Management, the Department of Energy and Environmental Protection, the Department of Economic and Community Development, the Department of Public Health, the Department of Education and the Department of Children and Families, may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 9. All financing shall be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 260. (NEW) (*Effective July 1, 2016*) (a) As used in this section, "Neighborhood Security Fellowship Program" or "program" means the pilot program established pursuant to subsection (b) of this section, and "Neighborhood Security Fellows" or "Fellows" means individuals who have been identified and recruited for participation in the Neighborhood Security Fellowship Program pursuant to said subsection.

(b) (1) The Office of Policy and Management shall establish a pilot program to foster neighborhood safety in urban environments and to serve as a blueprint to reduce neighborhood gun violence state-wide. The Secretary of the Office of Policy and Management shall select a municipality that has a population of at least one hundred twenty-four thousand and less than one hundred twenty-five thousand to participate in the Neighborhood Security Fellowship Program.

Senate Bill No. 503

(2) The chief elected official of the municipality selected by the secretary shall select a nonprofit entity to administer the program, which shall be funded by local, state, federal and private moneys. Such moneys shall be used for the administration and costs of the program, including, but not limited to, salaries, benefits and other compensation for any individuals hired by such nonprofit entity to administer the program and stipends to be paid to Fellows.

(3) The Neighborhood Security Fellowship Program shall engage in, but not be limited to, the following activities and initiatives:

(A) The identification and recruitment into the program of individuals between eighteen and twenty-four years of age who are most likely to be perpetrators or victims of gun violence. Such identification and recruitment shall be accomplished after the execution of all appropriate or necessary waivers, authorizations and releases with the assistance of (i) the local or state police department serving the municipality selected, (ii) the local board of education serving the municipality selected, (iii) the state's attorney serving the judicial district of the municipality selected, (iv) the Court Support Services of the Judicial Branch, and (vii) any other state agencies and departments and organizations capable of providing such assistance; and

(B) The coordination of programs, services and activities in which Fellows will participate, including, but not limited to, (i) anger management, (ii) life skills training, (iii) dispute and conflict resolution, (iv) remedial education, (v) leadership development, (vi) character building, (vii) mentoring programs, and (viii) preemployment skills workshops, including career counseling, work-readiness, team building, customer service and entrepreneurial training.

(4) The Neighborhood Security Fellowship Program may engage in

Senate Bill No. 503

(A) the coordination and placement of Fellows in worksite assignments, including (i) local, state and federal government agencies and departments, (ii) state-funded public construction projects within the municipality selected, (iii) private businesses, particularly those receiving assistance from the Small Business Express program established pursuant to section 32-7g of the general statutes or the Subsidized Training and Employment program established pursuant to section 31-3pp of the general statutes, and (iv) nonprofit community-based organizations receiving a grant-in-aid from the state, and (B) the coordination of training placements, including in adult education courses, vocational training programs, higher education courses and apprenticeship programs.

(c) (1) The chief elected official of the municipality selected under subdivision (1) of subsection (b) of this section, in conjunction with the Capital Region Development Authority established pursuant to section 32-601 of the general statutes, shall select public construction projects located in the federally designated Promise Zones as Neighborhood Security projects. A state or municipal contract for a Neighborhood Security project shall be awarded only to a bidder that agrees to hire a nonprofit subcontractor that employs Fellows who will be assigned to work at such Neighborhood Security project worksite. The chief elected official of the municipality selected shall (A) determine, in conjunction with the Capital Region Development Authority, any minimum number of Fellows such nonprofit subcontractor shall be required to employ to be eligible to be hired for a Neighborhood Security project, and (B) encourage the hiring of any such nonprofit subcontractor for any other municipal or state-funded public construction project.

(2) Before awarding a contract for a Neighborhood Security project, the state or the municipality shall state in its notice of solicitation for competitive bids or request for proposals or qualifications for such

Senate Bill No. 503

contract that the bidder is required to comply with the provisions of section 4a-60g of the general statutes, the requirements concerning nondiscrimination and affirmative action under sections 4a-60 and 4a-60a of the general statutes and the provisions under subdivision (1) of this subsection regarding the hiring of a subcontractor. The state or the municipality may inquire whether a bidder is a business enterprise that participates in the Neighborhood Security Fellowship Program and may award preference points to such bidder.

(d) Not later than January 1, 2018, and annually thereafter, if the municipality selected under subdivision (1) of subsection (b) of this section received state funding for the Neighborhood Security Fellowship Program during the previous calendar year, such municipality and the Secretary of the Office of Policy and Management shall jointly submit a report, in accordance with the provisions of section 11-4a of the general statutes, to the joint standing committees of the General Assembly having cognizance of matters relating to the judiciary and appropriations and the budgets of state agencies. Such report shall detail (1) the number of individuals participating in the program during the previous calendar year, (2) any changes in the level of gun-related incidents of violence in the municipality, (3) an evaluation of the programs, services and activities undertaken under subdivision (3) of subsection (b) of this section, (4) the costs of the program during the previous calendar year in both state and private dollars, and (5) any recommendations to expand the program to other municipalities.

Sec. 261. (*Effective from passage*) The Commissioner of Administrative Services, having reviewed applications for state grants for public school building projects in accordance with section 10-283 of the general statutes on the basis of priorities for such projects and standards for school construction established by the State Board of Education, and having prepared a listing of all such eligible projects

Senate Bill No. 503

ranked in order of priority, including a separate schedule of previously authorized projects which have changed substantially in scope or cost, as determined by said commissioner together with the amount of the estimated grant with respect to each eligible project, and having submitted such listing of eligible projects, prior to December 15, 2015, to a committee of the General Assembly established under section 10-283a of the general statutes for the purpose of reviewing such listing, is hereby authorized to enter into grant commitments on behalf of the state in accordance with said section 10-283 with respect to the priority listing of such projects and in such estimated amounts as approved by said committee prior to February 1, 2016, as follows:

Sec. 316. Section 96 of public act 11-57, as amended by section 104 of public act 14-217, is repealed and the following is substituted in lieu thereof (*Effective from passage*):

Notwithstanding the provisions of section 10-287i of the general statutes or any regulation adopted by the State Board of Education requiring payment of the state share of eligible project costs and filing notice of authorization of funding for the local share of project costs, the Commissioner of Education may pay both the state share of eligible project costs and the local share of eligible project costs to the Capitol Region Education Council for the following interdistrict magnet school building projects: (1) Reggio Magnet School of the Arts (Project Number 241-0095 MAG/N), (2) International Magnet School for Global Citizenship (Project Number 241-0098 MAG/N), (3) Public Safety Academy (Project Number 241-0097 MAG/N), (4) Medical Professions and Teacher Preparation Academy (Project Number 241-0096 MAG/N), (5) Academy of Aerospace (Project Number 241-0099 MAG/N), (6) Discovery Academy (Project Number 241-0100 MAG/N), [and] (7) Museum Academy (Project Number 241-0101 MAG/N), (8) Greater Hartford Academy of the Arts Elementary Magnet School, (Project Number 241-0102 MAG/N/PS), (9) Greater Hartford Academy of the Arts Middle School (Project Number 241-0103 MAG/N/PS), [and] (10) Two Rivers Magnet High School (Project Number 241-0104 MAG/N/PS), Aerospace Elementary (Project Number 241-0105 MAG/N/PS), and Greater Hartford Academy of the Arts (Project Number 241-0106 MAG/EA/RR), provided the project is in compliance with the provisions of chapter 173 of the general statutes and any regulation adopted by the State Board of Education. Upon completion of each project audit conducted pursuant to section 10-287 of the general statutes, the Department of [Construction] Administrative Services shall (A) compute the local share of the project

Senate Bill No. 503

cost in accordance with the provisions of chapter 173 of the general statutes, (B) determine a repayment schedule of the local share based on twenty equal annual principal payments, (C) apply a fixed rate of interest, as determined by the State Treasurer, over the life of the repayment period, and (D) determine a schedule of interest payments due from the Capitol Region Education Council based on the outstanding principal at the time the principal payment is made. The Commissioner of [Construction] Administrative Services shall notify the Commissioner of Education of the annualized repayment amounts for each project that shall be withheld from the operating grant paid to the Capitol Region Education Council pursuant to section 10-264l of the general statutes at such time and in such manner as the Commissioner of Education prescribes. The Commissioner of Education shall annually transfer such withheld annualized repayment amounts to the School Building Construction Fund established pursuant to section 10-287e of the general statutes.

Sec. 317. (*Effective from passage*) Notwithstanding the provisions of chapter 173 of the general statutes or any regulation adopted by the State Board of Education or the Department of Administrative Services under said chapter, Goodwin College may use any unexpended site acquisition funds for the new magnet school and site acquisition project (Project Number 542-0001 MAG/N/PS) at Connecticut River Academy for the purpose of any other authorized project costs.

Sec. 318. (*Effective from passage*) Notwithstanding the provisions of chapter 173 of the general statutes or any regulation adopted by the State Board of Education or the Department of Administrative Services under said chapter, Goodwin College may use any unexpended site acquisition funds for the new magnet school and site acquisition project (Project Number 542-0002 MAG/N/PS) at Goodwin College Early Childhood Magnet School for the purpose of any other authorized project costs.

Senate Bill No. 503

Sec. 319. (*Effective from passage*) Notwithstanding the provisions of section 10-264h of the general statutes or any regulation adopted by the State Board of Education or the Department of Administrative Services concerning the reimbursement rate for the construction of interdistrict magnet schools, Goodwin College may use ninety-five per cent as the reimbursement rate for the new magnet school and site acquisition project (Project Number 542-0005 MAG/N/PS) at Goodwin College Early Childhood Magnet School.

Sec. 320. (*Effective from passage*) Notwithstanding the provisions of section 10-264h of the general statutes or any regulation adopted by the State Board of Education or the Department of Administrative Services concerning the reimbursement rate for the construction of interdistrict magnet schools, Goodwin College may use ninety-five per cent as the reimbursement rate for the new magnet school and site acquisition project (Project Number 542-0006 MAG/N/PS) at Connecticut River Academy.

Sec. 321. (*Effective from passage*) Notwithstanding the provisions of chapter 173 of the general statutes or any regulation adopted by the State Board of Education or the Department of Administrative Services under said chapter, Goodwin College may use any unexpended site acquisition funds for the new magnet school and site acquisition project (Project Number 542-0003 MAG/N/PS) at Goodwin College Pathways Academy of Design and Technology for the purpose of any other authorized project costs.

Sec. 322. Subdivision (3) of subsection (a) of section 10-283 of the 2016 supplement to the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(3) (A) All final calculations completed by the Department of Administrative Services for school building projects shall include a computation of the state grant for the school building project

Senate Bill No. 503

amortized on a straight line basis over a twenty-year period for school building projects with costs equal to or greater than two million dollars and over a ten-year period for school building projects with costs less than two million dollars. Any town or regional school district which abandons, sells, leases, demolishes or otherwise redirects the use of such a school building project to other than a public school use during such amortization period shall refund to the state the unamortized balance of the state grant remaining as of the date the abandonment, sale, lease, demolition or redirection occurs. The amortization period for a project shall begin on the date the project was accepted as complete by the local or regional board of education. A town or regional school district required to make a refund to the state pursuant to this subdivision may request forgiveness of such refund if the building is redirected for public use. The Department of Administrative Services shall include as an addendum to the annual school construction priority list all those towns requesting forgiveness. General Assembly approval of the priority list containing such request shall constitute approval of such request. This subdivision shall not apply to projects to correct safety, health and other code violations or to remedy certified school indoor air quality emergencies approved pursuant to subsection (b) of this section or projects subject to the provisions of section 10-285c.

(B) If the board of governors for an independent institution of higher education, as defined in subsection (a) of section 10a-173, or the equivalent of such a board, on behalf of the independent institution of higher education, that operates an interdistrict magnet school makes private use of any portion of a school building in which such operator received a school building project grant pursuant to this chapter, such operator shall annually submit a report to the Commissioner of Education that demonstrates that such operator provides an equal to or greater than in-kind or supplemental benefit of such institution's facilities to students enrolled in such interdistrict magnet school that

Senate Bill No. 503

outweighs the private use of such school building. If the commissioner finds that the private use of such school building exceeds the in-kind or supplemental benefit to magnet school students, the commissioner may require such institution to refund to the state the unamortized balance of the state grant.

[(B)] (C) Any moneys refunded to the state pursuant to [subparagraph (A)] subparagraphs (A) and (B) of this subdivision shall be deposited in the state's tax-exempt proceeds fund and used not later than sixty days after repayment to pay debt service on, including redemption, defeasance or purchase of, outstanding bonds of the state the interest on which is not included in gross income pursuant to Section 103 of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as from time to time amended.

Sec. 323. Subsection (b) of section 10-285a of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(b) (1) [The] Except as otherwise provided in subdivision (2) of this subsection, the percentage of school building project grant money a regional board of education may be eligible to receive under the provisions of section 10-286 shall be determined by its ranking. Such ranking shall be determined by [(1)] (A) multiplying the total population, as defined in section 10-261, of each town in the district by such town's ranking, as determined in subsection (a) of this section, [(2)] (B) adding together the figures determined under [subdivision (1) of this subsection] subparagraph (A) of this subdivision, and [(3)] (C) dividing the total computed under [subdivision (2) of this subsection] subparagraph (B) of this subdivision by the total population of all towns in the district. The ranking of each regional board of education shall be rounded to the next higher whole number and each such board shall receive the same reimbursement percentage as would a

Senate Bill No. 503

town with the same rank plus ten per cent, except that no such percentage shall exceed eighty-five per cent.

(2) Any board of education of a regional school district established or expanded on or after July 1, 2016, that submits an application for a school building project (A) not later than ten years after the establishment or expansion of such regional school district, and (B) that is related to such establishment or expansion, may be eligible to receive a percentage of school building project grant money, under the provisions of section 10-286, as follows: The reimbursement percentage of the town in such regional school district with the greatest reimbursement percentage, as determined in subsection (a) of this section, plus ten per cent.

Sec. 324. Section 16-245bb of the 2016 supplement to the general statutes is repealed. *(Effective July 1, 2016)*

Sec. 325. Section 22a-904b of the general statutes is repealed. *(Effective July 1, 2016)*
