

House Bill No. 5364

Public Act No. 16-112

AN ACT CONCERNING THE FILING OF WORKERS' COMPENSATION CLAIMS WHEN A MUNICIPALITY IS THE EMPLOYER.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Subsection (a) of section 31-294c of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2016*):

(a) No proceedings for compensation under the provisions of this chapter shall be maintained unless a written notice of claim for compensation is given within one year from the date of the accident or within three years from the first manifestation of a symptom of the occupational disease, as the case may be, which caused the personal injury, provided, if death has resulted within two years from the date of the accident or first manifestation of a symptom of the occupational disease, a dependent or dependents, or the legal representative of the deceased employee, may make claim for compensation within the two-year period or within one year from the date of death, whichever is later. Notice of [a] claim for compensation may be given to the employer or any commissioner and shall state, in simple language, the date and place of the accident and the nature of the injury resulting from the accident, or the date of the first manifestation of a symptom

of the occupational disease and the nature of the disease, as the case may be, and the name and address of the employee and of the person in whose interest compensation is claimed. An employee of the state shall send a copy of the notice to the Commissioner of Administrative Services. An employee of a municipality shall send a copy of the notice to the town clerk of the municipality in which he or she is employed. As used in this section, "manifestation of a symptom" means manifestation to an employee claiming compensation, or to some other person standing in such relation to him that the knowledge of the person would be imputed to him, in a manner that is or should be recognized by him as symptomatic of the occupational disease for which compensation is claimed.
