DSS Budget - Protect Safety Net Services

2/10/16

To Whom It May Concern;

I, Gina Marie Alcoraez, have recieved services from Safty Net (E.P.S.). For job services (looking for jobs), utilities payments, support with coming over and giving me emotional support. I really enjoy my visits with Vivian. She is very supportive of my needs and wants. She is working very hard to assist both me and my husband towards getting SSI and SSD. When I was homeless, Vivian was there to ~~me~~ help me get into my section 8 ~~apt~~ apartment by offering to pay my security Deposit as well as refferals to other agencies that helped me get furniture and housewares. She also reffered ~~me~~ me to a temporary job that assisted me to get a better job. She also assisted me with bus passes while I look for a job. ~~She~~ She also refered me to Walburg food pantrys.

Thank You for your Time. You can reach me @ socaysohy@gmail.com or (203) 768-8833, if you have any other questions.
