

Karl Arezzini's testimony in favor of H.B. # 5044 for the Appropriations Committee hearing on 2/18/16. Karl lives at Chapel Haven 1040 Whalley Ave New Haven, CT 06514

Since Karl has autism his mother copied what he wrote and sent it via email.

My name is Karl. I live at Chapel Haven. Chapel Haven is fun! I go shopping, make meals and hang out with friends. I even take a taxi to church all by myself. I always want to live at Chapel Haven. Now I want to sing about my dream to live in my apartment. (Karl will sing "A Dream is a Wish Your Heart Makes" from Disney's Cinderella)
