

STATEMENT OF CHRISTINE WILLOUGHBY

Appropriations Committee

February 18, 2016

To whom it may concern:

I, Christine Willoughby, resident of New Haven, Connecticut, would like to say something about this program that has helped in my time of need. The program is Connecticut Legal Rights Project. I couldn't afford a lawyer, so I was told about this program that helps low income families with housing by my counselor. I got the help that I needed to stay in my apartment thanks be to God. What I am asking is that you not close or stop the funding to this program, Connecticut Legal Rights Project.

In Jesus name, I believe this program will help lots of people like myself. We can't fight these landlords without them. So, please take time to think before you shut this program down or the funding that they need. Thank you very much.
