Hi, my name is Carmen

First I would like to thank you for giving me this opportunity. I am before you today to tell you how grateful I am to Wheeler Clinic. Thanks to their help I am alive. I have been dealing with mental illness and drug addiction for years. I did not want to live anymore and thanks to my case manager Julia intervention I was able to overcome this. Thanks to Wheeler Clinic program I am doing much better and have hope for the future. Without Wheeler Clinic and the staff in it just simply would have never been possible. Cannot stress enough how people like myself need these programs.

Thank you very much for your time. Please make the right decision.
