

Dear Senator Bye, Representative Walker and members of the Appropriations committee. My name is Josephine Fulcher Anderson, I am a member of the mission of the African- American Affairs Commission (AAAC)

This is a very important commission . And we are asking for our support in not cutting our budget. While we would like to see more funding so we can do more work in the community We understand that these are tough times. Please know that we have been doing alot with so little. In the last year the AAAC has done great work with the legislation on student debt , Criminal justice, education , housing and support of the second chance and use of excessive force bills, to name a few. Please help us continue this important work by not cutting our budget.

Thanks you,

Josephine Fulcher Anderson
