Dear Education Committee,

We are residents of Washington, CT and we are in full support of the Agriscience STEM Academy for Region 12 Schools at Shepaug Valley School, in Washington, CT.

The AgSTEM Academy will greatly enhance the future of public education in Region 12 by elevating the curriculum offerings in the areas of science, technology, engineering, math and agriculture. The program will allow the students to grow and prosper in these areas, creating college and career ready graduates which, in turn, will have a positive impact to the communities at large.

Please join us in supporting the AgSTEM Academy for Region 12 by authorizing the grant.

Sincerely,

Amber Okenquist
