

To Whom It May Concern,

I am writing today to ask you to support the Seal of Biliteracy - Bill 175 in CT. This bill would encourage students at CT schools to gain proficiency in a language and its culture - and in so doing truly fulfill the mission of our schools in "creating global citizens". It is the intercultural knowledge along with the language skills which our students need to acquire to be truly competitive and prepared for a global world.

Sincerely,
Christine Dombrowski
