

I wanted to write a message expressing my support for the bill supporting the Seal of Biliteracy. As a classroom Spanish teacher, I would like to recognize students who have studied and attained proficiency in two or more languages by high school graduation. It is important for Connecticut to implement the Seal of Biliteracy because it is a way for school systems to demonstrate that mastery of two or more languages is important. It encourages students to pursue biliteracy, honors the skills our students attain, and can be evidence of skills that are attractive to future employers and college admissions offices.

Thank you for your consideration
