Testimony in Support of
S.B. No. 318, 'An Act Concerning Private School Transportation'

Before the Education Committee

March 2, 2016

As a parent at Saint Bridget School, I support S.B. No. 318.

Saint Bridget School offers children a strong faith based environment committed to high quality education in a compassionate environment. Serving their communities and supporting families regardless of faith and financial situation, Catholic Schools provide much needed educational and spiritual support. Transportation is a vitally important service enabling access to education, both public and private.

For these reasons, I urge the committee to support S.B. No. 318.

Sincerely,

Cheryl Bergeron
