

- 1) Hunting would be no good.
- 2) Fishing would be no good.
- 3) Logging would be no good.
- 4) Rock climbing would be no good.
- 5) Sex in the woods would be no good.

Remember 98% of Ct was once farming and no time at all the trees came back. We should use our great soil to work hand and hand with UCONN and develop a gardening for food tax incentive and feed our own state

Elizabeth Herbst
