My wife and I are doing our best to stay in Ridgefield CT where we've lived for 40 years. However, the state and local taxes are making that impossible for those of us living on a fixed income. Florida has no income tax, modest local taxes, no inheritance tax and NO TAX ON SOCIAL SECURITY. We are sure this is one reason for the exodus from Connecticut. It is certainly something we are considering in our cost/benefit analysis of staying here. Please revote this tax.
