Since CT is one of the states that tax SS, I am thoroughly in favor of this bill. I am a retired secretary, and my husband is still working as a firefighter in the state of CT. As you know, CT has been deemed one of the most unfriendly states to retire in. I am sure you also know that many states do not tax SS or pensions. My husband will receive very little SS (due to a second job he had) when he begins to collect due to the Windfall Profit Act, so any 'extra' money we can save MIGHT keep us in this state. We were born and raised here and worked here all our lives and CT has to do something to keep retirees in the state. Thank you. DJ
