**Testimony in Support of
S.B No. 336, "An Act Concerning the Neighborhood
Assistance Tax Credit"**

Before the Finance, Revenue, And Bonding Committee
Wednesday, March 9, 2016

As a grand parent of four students at St. Peter/ St. Francis School, in Torrington, Ct., I support S.B No. 336. The respect, discipline, and teaching habits being taught to my grandchildren is fostering an attitude to be admired in any citizen. I feel it is important to open this opportunity to students from all areas of society. I know many less fortunate students would be willing to attend for the same reasons but financial hardship hinders their participation.

For these reasons, I urge the committee to support S.B. No. 336.

Sincerely,

Leo R. Nardi
