Regarding Bill 452,

Here we go again. The City of Hartford feels entitled to State of CT tax money to help pay its debt on Dunkin Donuts Stadium. This stadium should never have been built in this economy, and the State cannot be expected to hand over any funds for minor league baseball, especially at a time when numerous social agencies are facing critical budget cuts. The Senator from Wethersfield must live in fantasy land.

Please vote no on Bill 452, and let's hope we don't have to do this again next year.
