Raised House Bill 5619

Section 6

Government Administration and Elections Committee

Dear Committee members:

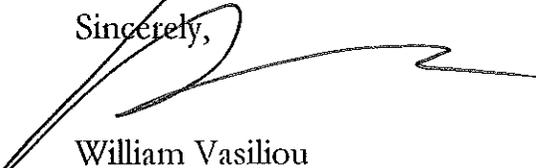

We write today in support of Section 6 of House Bill 5619 and the conveyance of the described parcel to the City of Middletown for the purpose of promoting the creation of supportive housing.

The Mary Shepherd Home for many years served an important segment of the housing effort in Middletown and is sorely missed as a resource.

Middletown remains an active and committed community of successful housing organizations who work endlessly.

We ask for your support in passing this bill which returns a forgotten building to a important and useful purpose.

Sincerely,

William Vasiliou
Executive Director
