

Testimony of Connor Riley in Support of:

S.J. 33: RESOLUTION PETITIONING THE UNITED STATES CONGRESS TO CONVENE AN ARTICLE V  
CONSTITUTIONAL CONVENTION TO OVERTURN THE UNITED STATES SUPREME COURT'S DECISION IN  
CITIZENS UNITED V. FEDERAL ELECTION COMMISSION.

GAE Committee Public Hearing

Chairpersons, Members of the Government Administration and Elections Committee,

My name is Connor Riley and I am 19 years old. I've been studying political science for over three years and I quickly learned how corrupt the American political system is. The very nature of our democracy is in danger. Our elections are rigged and current politicians are bought out. Americans cannot trust federal level politicians to fix the problem because they are the problem. Now is the time to act and pass resolution number SJ33. The United States cannot go another election cycle without massive reform of our political system. The situation is dire and we cannot hesitate to get big money out of politics.
