Subject: Support HB 5344

Dear Senator Coleman
and the Judiciary Committee Members:

Please support HB 5344: An Act Concerning Support for Animals that are Neglected or Treated Cruelly I would love to see a court advocate appointed for these poor animals that have no voice. Abusers should get maximum penalties in court, instead of getting probation or just a slap on the wrist.
This bill is a step in the right direction for abused animals.
Thank you so much for supporting this bill!!

Yours,
