Subject: Support for HB 5403, Pedestrian & Cyclist Safety

Dear Rep. Tong, Sen. Coleman, and Members of the Judiciary Committee:

As a member of Bike Walk Connecticut I thank you for raising HB 5403, an important measure to make it safer for pedestrians and cyclists to use the roads. I urge the legislature to pass this bill in 2016.

I am a parent, walk commuter, resident of Middletown, CT and member of Bike Walk Connecticut. We need facilities that are safe for me and my children, and my older neighbors to use, when we choose to bike or walk to get where we need to go. My husband and I walk my daughter to daycare every day and regularly witness dangerous driving behavior that makes me very nervous. My family is dedicated to following the rules of the road, whether we're walking, biking or driving. I urge you to pass this legislation to help make CT safer for my family, neighbors and all CT residents.

Thank you for considering my views.

Sincerely,

Laura Baum
