Subject: Support for HB5403

Dear Rep. Tong, Sen. Coleman, and Members of the Judiciary Committee:

As a member of Bike Walk Connecticut I thank you for raising HB 5403, an important measure to make it safer for pedestrians and cyclists to use the roads. I urge the legislature to pass this bill in 2016.

As a daily bicycle commuter who rides in the capital region I find that a majority of drivers are safe and courteous to cyclists and pedestrians, but it only takes a few distracted and/or aggressive drivers to result in serious injury or death.

Thank you in advance for considering my views
