Subject: domestic violence bills

Dear Members of the Judiciary Committee:

I am a Sandy Hook mom writing to you to express my support for HB 5054, An Act Protecting Victims of Domestic Violence, and SB 429, An Act Concerning Service of Restraining Orders.

I also oppose HB 5597, because it sets in motion the risk warrant process if a restraining order indicates that the subject is in possession of a firearm. I do not want victims of abuse more fearful that they will be abused again after their abuser is confronted. A restraining order may be more effective and safer for the victim.

I feel that you have the power and responsibility to help keep women safe from domestic abusers.

Thank you for your time.
