Subject: Support HB5054 & SB 429 Oppose HB 5597

Dear elected officials,

My father was in the army, he had a gun in the house. He was also abusive. Anytime I was at school and heard an ambulance, I thought it could be my mother, dead. That is no way for a child to grow up. I urge you to restrict access to fire arms to those who have shown the inability to behave in respectful and safe ways.

Sincerely,

Cathy Roche
