TESTIMONY IN SUPPORT OF SB-18

Judiciary Committee Co-Chair Sen. William Tong/ my friend in Fairfield County/ and Member Steve from the City of Bridgeport. I am an active member of BCAC and agree that S.B. 18 moves Connecticut along the path to greater criminal and juvenile justice reform. Let's keep rehabilitating and teaching our youth- instead of lifelong punishments for juvenile mistakes. Please support the improvements to the second change idea in SB 18 and urge your fellow committee members to join you in support. gail
