Senator Coleman, Representative Tong, Senator Doyle, Representative Fox, ranking members and other distinguished members of the Judiciary committee, I am writing to you today to urge your support for SB431, An Act Concerning Consent Orders Entered Into by the Department of Energy and Environmental Protection.

This bill ensures that any consent order entered into by a party and the Commissioner of Energy and Environmental Protection, or the commissioner's designee, is not modified or revoked without the consent of the party. It is essential that the Department of Energy and Environmental Protection adhere to contract agreements that they have already previously entered into, unless the department and other party agree to such a modification.

Thank you for your time today, and urge your support for SB431.

Respectfully yours,
