

I totally encourage the passing of this Bill.

Let's close any loopholes which would allow anyone from accepting assessment appeal work based on a contingency basis/fee.

Let's keep everyone at the same level to appeal. Otherwise, the ones who can afford to hire individuals on a contingency fee basis will be using the system for their own benefit. Should be a non-issue in our business when setting values that we must continue to uphold & defend to solidify our municipal needs.
