

S.B. No. 332 (RAISED) AN ACT ESTABLISHING A PILOT PROGRAM FOR
AUTOMATED SPEED ENFORCEMENT DEVICES

I, Donna DiMartino of Sharon, CT fully support this program. Having traveled through Europe and seen automatic slowing devices including large speed bumps and lights that only turn red when you are going to fast I think that it would be great in our town. Please, before someone gets hurt.

I am happy to speak with anyone regarding these systems.
