

Nancy Bartley

Program Review and Investigation Committee

To whom it may concern:

This letter is in regards to the supporting of Fair Housing and Opposing Discrimination. I have stated below the points that should be reviewed.

1. Complaints should not be able to appeal multiple times.
2. Complaints should be under oath.
3. Complaints should be limited to actual damages, not monetary.
4. Complaints should show evidence of discrimination.
5. Complaints should be pre-screened by a review board.
6. Recorder conversation without permission should not be permitted.

Thank you,
Nancy Bartley
