

Members of the Committee,

I support H.B. No. 5409 AN ACT CONCERNING APPLICATION REQUIREMENTS FOR A TEMPORARY STATE PERMIT TO CARRY A PISTOL OR A REVOLVER.

A Bill like this is long overdue and should be passed as quickly as possible, it gives the all the Citizens of Connecticut the opportunity to be treated the same in every city and town as it should be under the law. I look at it this way we are all created equal and just because I live in another city or town I should be treated equal and all of the issuing municipalities using the same criteria without personal agendas getting in the way that is just common sense.

So I am asking you to please help the people of Connecticut get this Bill PASSED and have it EQUAL FOR ALL.

Thank you for your time and dedication
