**RE: eRegulations tracking number PR 2015-152
DMV Regulation "Issuance of Driver's License with Restrictions"**

Dear Senator Chapin and Representative Becker:

In accordance with the provisions of subsection (b) of § 4-170 of the Connecticut General Statutes, this is to advise the Legislative Regulation Review Committee of the approval by the Attorney General of the regulation concerning "*Issuance of Driver's License with Restrictions*".

Enclosed please find the agency's regulatory proposal for your review and approval. This proposal amends the enumerated listing of state issued restrictions on an operator's license to comply with new federal requirements for the operation of commercial motor vehicles. It also creates a newly designated restriction for the operation of three-wheeled motorcycles in accordance with Public Act 2015-46. Lastly, the proposal incorporates the establishment of a restriction for the designation of Connecticut's "drive only" operator's license that became effective on January 1, 2015.

In the event you should need any further information with respect to this regulation, please do not hesitate to contact Anne Howroyd at (860) 263-5460 or by e-mail correspondence at anne.howroyd@ct.gov. Thank you for your consideration in this matter.

Sincerely,

Michael R. Bzdyra
Commissioner
