Explanation of State Impact of Regulation: NO IMPACT

Explanation of Municipal Impact of Regulation: NO IMPACT

Explanation of Small Business Impact of Regulation: The changes in the regulations are clarifications and updates to reflect current practices. As a result, the proposed regulations will not impose any new requirements that are not already in practice for affected businesses. These changes do not require any additional time to complete or any additional filing or reporting. There are provisions which will ease some of the requirements placed on excavators. Thus, there will be no new costs for any businesses.

Is a regulatory flexibility analysis required pursuant to C.G.S. 4-168a? NO
