Kirstin:

Thank you for recognizing the typo in the letter signed by Commissioner Harris on December 30, 2015, requesting review and approval from OPM concerning DCP's Standards for Food regulation. Said letter is typically re-used as we promulgate new regulations, and was intended to say "Standards for Food" rather than "Additional Debilitating Medical Conditions". We ask that you disregard said error and forward the regulation on to Regulation Review for continued processing.

Thanks,
