Re: Proposed Amended Regulations Concerning Life Insurance Products Providing Long Term Care benefits

Dear Senator Chapin, Representative Becker, and Committee Members:

In accordance with section 4-170 of the Connecticut General Statutes, the Connecticut Insurance Department hereby submits the original of the above-referenced proposed regulation bearing the approval of the Attorney General issued July 26, 2016 as to legal sufficiency and the final fiscal note prepared in accordance with section 4-168 of the Connecticut General Statutes. This submission has been prepared in the format mandated by your Committee in rules issued February 21, 2013.

The purpose of these proposed amendments are pursuant to the requirements contained in Conn. Gen. Stat. 38a-458. The amendments reflect updates to existing regulations to conform to the current statutes and requirements. The changes to the regulations allow more products to be sold in the insurance market.

As always, if you have any questions concerning this proposed regulation please do not hesitate to call me or Kristin Campanelli, Counsel at 860-297-3947. Thank you for your anticipated assistance and cooperation in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Katharine L. Wade".
