Dear Sirs/Madams,

Thank-you for inviting comments. This department is one of a few that EVERYONE has to deal with at some point and therefore should be the MOST STREAMLINED and have the most ONLINE presence.

Please, can we put some more FUNCTIONS in the hands of the PRIVATE SECTOR and much more of the day-in day-out transactions on the WEB.

Could we also change the PLATE INFRASTRUCTURE to a system where the PLATE follows the PERSON and the STICKERS come back so folks know when they will expire?? This will save millions in a short period of time.

Can we entice the private sector to do LONGER or more CONVENIENT hours for EMISSIONS?

Any ways to downsize or streamline the TITLE DIVISION ??

Most respectfully,

E. W. Ehrenfels
