Subject: house bill

I encourage you to pass this bill. I had the misfortune of having to register 2 vehicles at different times since the new software was implemented. Both visits were 4 hours each. My daughter had a 4 month wait for an appointment for her learner's permit and another 4 month wait for the license. My brother was inconvenienced when the system was showing he had no insurance when in fact, he had. Let's all work smarter not harder.
