The current system does not work well. There are delays, multiple returns "for more information" and the DMV staff are not the most pleasant people. AAA has short lines they are competent and they are NICE! This seems to be a no brainer Malloy wants budget cuts, so why not DMV? Cut DMV, make it into several businesses, who could make a profit and pay taxes to CT, if I never had to go to DMV again I would be so happy. Got my last renewal @ AAA in and out . WHAT is there to think about?
