

forging mv release stamps, registering under different names, or initials etc. Anything to beat the system. If we weaken the system substantially by removing our ability to withhold registration renewals, our \$600,000 loss in revenue will grow larger and larger each year to a point where even the responsible taxpayers will learn they can easily get around the system and not pay without any punishment.

Thank you for your attention on this matter.

Sincerely,

David Kluczowski, CCMC
Revenue Collector, Town of Berlin
CTx Legislation Co-Chair
