Town Of Griswold

Griswold CT 06351

The Honorable:

Hi, my name is Kathy Levy, I am the Assistant Tax Collector with the Town Of Griswold. I would like to thank you for this opportunity to express my concern on House Bill #5055 which deals with letting taxpayers register their vehicles without paying there delinquent taxes or overdue parking tickets that are due.

This action would result in large amounts of lost revenue in all towns throughout the State Of Ct. which would result in additional tax burdens on town residents. They are already trying to overcome the additional burden that the state created by cutting state funding to towns educational and other. By letting scofflaws get away with not paying back taxes is sending the wrong message to people who do pay there taxes, that being said, please do not go forward with this bill, it is not fair to the good paying tax citizens of Connecticut.

I thank you for your time and consideration.

Sincerely,

Kathy Levy
Assistant Tax Collector
Town Of Griswold
