Subject: H.B. 5461

Hello,
I would like to voice my support of H.B. 5461 currently under consideration.

As a lifelong Connecticut resident as well as a classic auto enthusiast who also owns and operates a classic car business and dealership in the State of Connecticut I cannot stress how important this bill is to the collector community. I have dealt with significant confusion on the part of customers in other states in dealing with their motor vehicle departments when purchasing a vehicle from a Connecticut owner. The lack of paper titles for these vehicles reduces their overall value and their transferability to new owners (customers).

In short, the lack of paper titles impedes commerce.

Thank you for your time.
