Subject: Please vote for H.B. 5461

I live in CT and run two multi-million dollar automotive aftermarket companies (one is \$20+M in revenue) that provides jobs across the country to individuals with manufacturing skills. This market is important.

We support H.B. 5461. This bill would expand the out-of-state market for older Connecticut motor vehicles and enhance their value to customers. It also authorizes the state to charge the vehicle owner for the administrative cost of issuing a certificate of title.
