**House Joint Resolution No. 1 Resolution Proposing A State Constitutional Amendment To Protect The Resources of The Special Transportation Fund**

**February 29, 2016**

**Public Hearing, Transportation Committee**

My name is Gary Wall and I am the President of Tilcon Ct Inc. Our Business is headquartered in Plainville. Our firm employs 600 Connecticut Workers.

We support this Resolution that would establish the Special Transportation Fund as a perpetual fund and ensure that revenues deposited into the Special Transportation Fund would be used for transportation purposes.

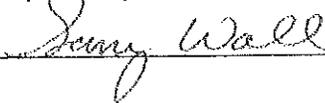

It is well established that Connecticut's infrastructure is aging and inadequate to meet today's demands. Tilcon Ct is ready to meet the growing demands of rebuilding Connecticut's roads and bridges.

Transportation is important to the state's economy. Our company is positioned for growth by adding jobs to meet the demands of rebuilding the Connecticut infrastructure.

Passage of this Joint Resolution is key to the state's ability to deliver much needed improvements across all modes of transportation. It lays a solid foundation much needed transportation investments.
